

Quality Policy

Grindley Construction was established in 1988 and has built a reputation based on our core value of Commitment. Commitment to our clients and to our people to provide a service that carry the hallmarks of quality and value.

To achieve this we will:

- Provide a service that at a minimum meets our Client's requirements
- Provide a service that meets applicable legislative and regulative requirements
- Senior management will demonstrate commitment to quality
- Set measurable objectives
- Monitor performance
- Provide education and training to enable knowledge and experience
- Maintain and improve our quality management system alongside our integrated management system
- Allocation of appropriate resources to implement our objectives
- Continually strive to improve our reputation to ensure that quality and value remain synonymous with us

Our policy documents our objectives and demonstrates our commitment to providing services that carry the hallmark of quality and value. It governs how we manage quality and it will be communicated to all those applicable in our operations. The policy will be reviewed regularly to maintain relevance and appropriateness to our organisation's objectives.
